About Condor Resources Plc:

Condor Resources plc is an AIM listed exploration company focussed on developing natural resource projects in Central America. The Company was Admitted to AIM on 31st May 2006 raising £4.9m to prove up JORC Resources in Nicaragua and El Salvador.

Condor has four 100% owned licenses and the option to earn an 80% interest in a further four licenses contained within four project areas within Nicaragua. In El Salvador, Condor has 100% ownership of four licences in two project areas.

Since Admission to AIM, Condor has increased its JORC compliant resources of 354,500 ounces of gold and 18.3 million ounces of silver to 891,000 ounces of gold and 22.4 million ounces of silver. The Resource calculations are compiled by independent geologists Ravensgate and Geosure. Condor's objective is to prove a commercial resource.

Condor raised £2,000,000 before expenses in July 2008, which will allow the Company to continue developing its existing gold and silver projects in Central America and identifying opportunities in the natural resource sector in other geographical locations.
