Appendix 1

Rule 8 of the Code requires various persons, during an offer period, to make public disclosures, or in certain cases private disclosures to the Panel on Takeovers and Mergers (“**Panel**”) only, of their positions or dealings in relevant securities of the parties to the offer.

Rule 8.3(a) of the Code sets out the rules regarding “Opening Position Disclosures”. An Opening Position Disclosure is an announcement containing details of interests or short positions in, or rights to subscribe for, any relevant securities of a party to the offer if the person concerned has such a position. Under the Code, an Opening Position Disclosure is required to be made after the commencement of the offer period (which occurred on the date of this letter) and must be made by the Company, MTL and by any person that is interested in 1% or more of any class of relevant securities of either the Company or MTL. The reason that MTL shareholders are required to make an Opening Position Disclosure in relation to MTL shares held by them is that the Offer is a part share part cash offer (i.e. part of the consideration offered to the Company’s shareholders is shares in MTL), and therefore MTL is considered to be a “securities exchange offeror” for the purposes of the Code. Anyone required to make an Opening Position Disclosure must do so before the 10th business day following the commencement of the offer period, so by 13 December 2024.

Rule 8.3(b) of the Code sets out the rules regarding “Dealing Disclosures”. A Dealing Disclosure is required after the person concerned deals in relevant securities of any party to the Offer. If a party to the Offer or any person acting in concert with it deals in relevant securities of any party to the Offer, it must make a Dealing Disclosure by no later than 12 noon on the business day following the date of the relevant dealing. If a person is, or becomes, interested in 1% or more of any class of relevant securities of any party to the Offer (i.e. the Company or MTL), the person must make a Dealing Disclosure if it deals in any relevant securities of any party to the offer (including by means of an option in respect of, or a derivative referenced to, relevant securities) by no later than 3.30 pm on the business day following the date of the dealing. Dealing Disclosures are required to contain details of the interests or short positions in, or rights to subscribe for, any relevant securities of the party to the offer in whose securities the person disclosing has dealt as well as the person’s positions (if any) in the relevant securities of any other party to the offer, unless these have previously been published under Rule 8 (and have not changed).

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Rule 8 also sets out the disclosure obligations of exempt principal traders and exempt fund managers, and of the parties to the offer and persons acting in concert with them when they deal for the account of non-discretionary clients.

Details of the Company and MTL in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel’s website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel’s Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
